Re: Final Record of Decision, Operable Unit I, Site 5,  
Surplus Transfer Storage Area, Naval Weapons Station,  
Yorktown, Virginia, September 1994.

Dear Ms. Norton:

The Department of Environmental Quality (DEQ) Superfund Federal Facilities staff have reviewed the above referenced document. We concur with the selected remedial alternative, as outlined in the Record of Decision.

It is our understanding that the remedial investigation and risk evaluation conducted for this site support a no-action remedial alternative.

If you have any questions, please feel free to contact Dr. K.C. Das at (804) 762-4184.

Sincerely,

A handwritten signature in cursive script that reads "Peter Schmidt".
